Report Backs:

SUA: Daniel, Aimee & Lyle - Executive Vice Chancellor/Campus Provost Alison Galloway presented on the pros and cons of Prop 30/Prop 38. UCSC Police Chief Oweis gave a short presentation on police presence on campus. More community involvement and more officers needed. A resolution was introduced supporting Prop 30 and not supporting Prop 32. Govern. Brown will be on campus tomorrow in support of Prop 30. Discussed funding of Student of Color Conference @ Riverside and how to fund either from Intern budget and/or the general fund. Passed \$3000 in funds. Discussed reducing outreach event budgets for SCOC sister college events. USSA was tabled until the next meeting. Lyle will send an email with the many announcements.

Endorsing Prop 30 resolution with our two SUA votes: How will the students here about the resolution? Is SUA supposed to tell students how to vote? This is a very important vote and

any advertising is important to all students. 5 Hoots, 10 abstain, 2 Screeches = **Yes vote - Approved**

SCOC: Lucas - More people applied/appointed to open positions. No SCOC meeting next week because it is Halloween.

Academic Senate – Scotty – not present.

Counsel of Chairs: (Amore covered for Mariah): Police chief presented. Talked about 4/20 and drug use issues. Promoting Campus Safety Day Dec. 3rd @ McHenry – bike lights and helmet hand out with proof of bike registration. Halloween message: Be safe, call for help, take care of each other, Don't use drugs.
