-Swing Force: Lucas, Carl, Lyle, Anna – Lucas got quotes and the 3D image of our swing. The swing with expensive log like bench \$10,320. The amount of the materials alone is \$7,000. Plus freight and taxes. Without the log bench the total is \$6,500 and two normal benches are around \$2,000 for a total closer to \$8,600. Contact suggested checking with local landscapers to see if we can get a cheaper option for the freight expense. Lucas will check around and schedule a meeting with M.Y.G. and Poblete.

Parliament Dinner Meeting – we need to pick a restaurant that is in the UCSC vendor system. Suggestions: Mexican, Greek, Sushi, Thai or Indian Food. We need to schedule a Thursday Tabled to next meeting.

Core Council: Anna - The budget is in. During the 2011-2012 year there was a \$10,000 carry forward combined with the \$13,000 budget for this year. No mention of the missing \$3000? Discussed content neutrality again. Had two groups with funding requests. One is the Black Men's Alliance Dance in the Cal/Stevenson dining hall. Indian Student Association is asking for funds for 4 different events, the Journey through India, their banquet, Tandoori barbeque, and Bollywood movie night. They asked for a total of \$1575. Core is planning on \$1050. Parliament recommends to fully fund the Indian Student Organization events at \$1575. (Carry forward is only \$10,000 so they need to use \$13,000. this quarter.)
