### **Committee Report Backs**

Academic Senate: Anna – Education Forum held on April 26<sup>th</sup> in Stevenson Event Center. On-line education as a supplement not substitute was discussed with numerous prestigious guest speakers & VC Alison Galloway. Panel discussed pros/cons and how a budget would need to be found to allow access at no/low cost. Making education available to more people around the world.

Core Council: Anna - They have funded 9 groups. \$1072.84 to BMA Dance/must recycle H2O bottles, \$200 to ISO event(Indian student org.), \$600 to KASA (Korean students), \$2000 for CJP Palestinian awareness week, \$218 to SFPD (Prof. Develop event) \$1800 JSA (Persian Shabbat) \$300 to Japanese Student Organization,\$2000 to MSA Muslim Awareness Week, \$3205. To Relay for Life Cancer fundraiser Funding in total \$14,833.84. and they have \$8000 left for carry forward. One more request coming from our Jewish Fraternity for a Car smash event. Requesting \$3000. for expenses but not organized with no location, advertising, event approvals. It is to raise \$ for Save a Childs Heart Org. Students would pay to hit the vehicle drained of fluids at Quarry Plaza(?) Parliament is not in support of funding this event as it stands. Next meeting they will discuss the future or Core Council for next year.

SUA: Lyle, Carl, Kelsey - Presentation on 2012 national elections campaign. A lot of statistics with social media playing a huge role. Campus wide we tabled during welcome week & flyered urging students to register to vote. We need more communication/volunteers to increase visibility. Retrofit has been delayed for SUA bldg. to the year after next – still working on move plan. The External Vice Chair requested approval to spend \$2700 of his budget for event. Focus would be on student struggles: art expo, food, shirts, \$150-\$200 in prizes. (He did not spend this money on an intern this year) The SUA budget plan for next year is looking good. Same changes; typos, General Fund will be separate line item, 3% for employee benefits. Each office will get funding for their office and Chaz asking for more \$ for IVC Office because of the number of events. 10% of carry forward gets split: 70% General Fund/30% SUA Programming.

SCOC: Lucas – Rock n” Roll on the Knoll – requesting \$500 sponsorship to help with \$5000 event on May 11<sup>th</sup> 11:30 - 8:30 p.m. SCOC has \$4000. left in outreach programming budget and could table at event with swag. A great event – how does Parliament want to vote? The membership approves \$2500. - \$3000. for this event.

FORKS – Carl – no report – meeting at the FARM
