

## Parliament Minutes, 10-30-08

Start time = 6:30 PM

### Funding Requests (7 voting members, 3 guests, 10 total).

**Julia, Editor-in-chief of Red Wheel Barrow Magazine** - Short fiction, poetry, and art magazine. Four Kresge students are a part of the staff and “many Kresge students” submit work for the magazine. Only UCSC Students can submit to Red Wheel Barrow.

Correction: Their funding request asked for \$200, but the correct amount is \$150.

Money goes to publication costs (total budget is ~\$4000) Other funding: Core Council, Bay Tree, Provosts. Copies are distributed in late May or early June. - More copies are given to colleges who fund them

### Will, Matchbox Magazine

VERY similar to Red Wheel Barrow (student run literary magazine) - UC Wide, but mainly produced/submissions by UCSC students - 2 staff members are Kresge students.

Goal → 3,000 copies (for all UC's) - Asking for \$500 - \$600.

Money goes to publication - UCSC gets most copies of Matchbox, mainly available at Baytree.

Received funding from Kresge provosts last year (\$500), NOT Parliament.

Other funding sources → Bay Tree, UC Bookstores, different Literature departments.

### Deliberation:

Ideas for funding included

Even distribution, give Matchbox more, ask Provosts, partially fund.

### RESULTS

Red Wheel Barrow is funded \$75, with 1 stand aside.

Matchbox Magazine is funded \$50, and they are going to ask Kresge Provosts for more funds.

### SFAC (Student Fee Advising Committee) → Lyliana Camargo

Discuss UCSC budget issues → Go through spending of colleges, UCSC as a whole, resource centers, etc... 7% of UC funding goes to UCSC, which is LESS than other UC's due to budget cuts.

UCSC Mid-year fee hike - “Order of Importance” of who gets funds → Resource Centers and SOAR.

Fees going up to “keep the lights on” - Not likely that student's financial aid will increase if there is a fee hike. - Issues of concern brought up for Lyli to mention to other SFAC members.

Understaffed Maintenance crew at Kresge (and probably elsewhere, too).

OPERS hours for swimming pool

HEALTH CENTER → understaffed, poor hours, takes forever.

Blue Light Phones → Replace the old ones with new ones and upgrade them instead of moving them

Lilly will keep us posted on news regarding the fee hike and how it will affect us.

### Report Backs

SCOC Meeting -Anthony C4 (Committee Cross Communications Caucus), Nov 10th /Redwood Bldg. 5PM.

E2 → Very poor publicity in Kresge because of stereotypes

Beyond Nestor's SUA report backs, Kresge doesn't seem to get a lot of the University news, OUTREACH, and RETENTION for students. Kresge has one of the LOWEST retention rates along with Porter... We need OUTREACH!! Thinking of Student Peer Advising/Outreach → Talk to Kresge Advisors.

SUA → Nestor and Kameron.

CSA Lunar New Year funded \$1000 - CHALE Mixer, Oakes, Nov 3rd.

Budget Proposal - Block 100... still deciding on a budget.

SUA Internships - 2 Interns per officer will be hired and the positions are still open (ER System)

Office hours for SUA officers are available → Ask Nestor if interested. Matt Palm will be here at November 6th meeting. Anthony and Marisa are interested in being SUA alternate reps. Lisa is currently an alternate rep. Meetings are Tuesdays, 6-8pm, Redwood Building.

**Meeting adjourned: 8:03 PM**
