Report Backs:

SCOC: Lisa S. Carnival is on this Saturday, March 5 3-5 p.m. in the Town Hall – this SCOC outreach event will have a bounce house, cotton candy, popcorn, candy/soda, spin art, balloon art, face painting and live music. Lisa is requesting volunteers to sign up for a work shift.

SFAC: Edward – no report

SUGB: Lisa M. –Pool Tourney this Friday, 6-11 p.m. in the Student Union – sign up before 6 + food

SUA: Will – Last weeks meeting ended on time – Yahoo!, UCSC came in 3rd for number of Dream Act Support postcards signed and mailed, Discussed purposed 2% Referenda tax on all newly elected referenda funds – it would seriously impact funding – Resolution written for UCOP (Student Media Council also wrote a resolution.) SLC (Student Lobby Conference) @ Sacramento was last weekend – a good time was had by all, They transferred some funds to increase the SUA budget for this year = \$42,000. Will went to Chair’s Office Hours to express concerns about no SUA Treasurer – he also asked about the Kresge PRIDE funding request from January – KMEC may get to present on Tuesday? – Will attended the student budget forum, really sad situation – approval of special state election for a tax extension in June is critical.

Core Council: Lisa M. – The funding requests for spring = \$14,905.40 – if approved there will be no spring funding available this year. How should Parliament vote? (Spring funding is for fall

events.) We will let Lisa vote for Parliament as she is up to date on the funding requests. There will be no restructuring of the Core Council model so things go on as they are now.
