Approval of minutes next meeting

Member Item Justin – SUA Constitutional Amendment – a work in progress for spring elections
Major point – Voting body - changing the college government representative relationship to SUA.
Proposal will remove one elected member from each college and create a Finance Board that will add one member from each college (member would have to have a working knowledge of how SUA runs) Currently 42 voting members, three from each college = 30, new model = 20.
Also adding 4 new organization rep. votes for a total of 10 org. votes. New org.s to be decided(?)
Issue: Will one less vote for each college be O.K.? Comments/concerns should go to Justin.
