

Kresge Parliament – 1/26/12

Meeting Start: 6:30 Quorum: 11 Ice Breaker: none tonight for SUA presentation

SUA Amendments – Justin - Some changes being discussed for SUA include recognizing the body as the official campus student govern., membership – college reps to 20 from 30, delegation of duties, new Presidential system – not Chair, adding executive veto powers, renaming commissioners, redirecting focus of Organizational Director to Vice Pres. of Student Life. Adding 4 new org. reps. = 10 total, Staff numbers clarified + outlined in bi-laws, membership would need $\frac{3}{4}$ vote to overturn exec. decisions, SCOC would add 1 position(would have to have SUA experience) Financial/Fiscal Board would handle all \$ issues, Constitutional amendments to correct current typing, grammar errors.

Questions: SOFA's new role, Veto powers – ability to speak for students in timely fashion but is this too much power for executives – more discussion is needed.

Committee Meeting: Friday, 1/27 at 5 p.m. at the SUA Office – Vote next Tuesday at SUA
