

Kresge Parliament – 10/6/11

Meeting Start: 6:33 Quorum :12 Ice Breaker: Do you like the rain? Favorite/least favorite part?

Guest: Mike Yamauchi-Gleason CAO Porter & Kresge Colleges

Mike brought Parliament up to date on all things Kresge: full housing with 9 frosh still being housed elsewhere on campus, Main Office building underwent a facelift over the summer, new windows and paint. First Rain unfortunately caused some significant damage to the East Field pool complex when students jumped the fence and damaging the lane guards – not in the spirit of first rain. Kresge has had 6 transports, jail or the hospital, so far this year 4 women, 2 men.

Membership Q's– lighting for the meadow path, Piazzetta fountain turned on at any time?

Budget Request: Emmie Ballard with Fish Rap Live Newspaper

Big staff this year – they even moved meetings from Tuesday nights to accommodate the Frosh. Popular publication w/ high readership @ Kresge. As Editor, working on new image away from past controversial issues. Goal is to have more advertising funding – currently 2/3 of budget.

3 issues per qtr. 16 pages 3000 copies at a cost of \$637 each issue. Annual budget required: \$5733. Requesting \$400.00

Deliberations

Budget Request for next week:

Comedy Joust requesting \$195.00 for Nov. 4th comedy show in Town Hall rental/tech fee – Not a SOAR Org. Approved with request for more information about their campus sponsorship.

Parliament Updates: – Vote – tabled Core Council Rep. election for tonight

Core Council- Nomination: Anna Lingel Short explanation of council responsibilities by Anna Fall will be planning mtg's only with new council configuration the goal for winter funding requests. Motion: Lisa Standke 9 hoots, 3 abstentions – Approved – Anna is our fall Core Council Rep.

Do we want to have a meeting with Juan Poblete – Kresge Provost - Yes

Questions: What has he accomplished so far?

- How has his position changed since Micah is no longer Provost?
- Why is Micah still in charge of Core/Writer's House?
- Can Parliament have presentation time at one of the group Core meetings this quarter?

Approval of minutes – 9/30/11

Justin moves to approve the minutes as amended-Edward 2nds 8 hoots, 4 abstentions - approved

Report Backs: SUA - Justin

Icebreakers and introductions of committees. They decided to alternate between general meetings and committee meetings weekly. Justin wrote a proposed resolution that calls for a new Student Union facility - to be presented to SUA, approved by Parliament.

Committees RSO- Registered Student Organizations: Treasurer is not elected yet, but must sit on this committee. Purpose of RSO is to hear budget requests and funds. Not in bylaws yet.

Student Power: A committee that is supposed to organize students around both on/off campus issues (such as Academic Students disqualifying students for majors, student fees, organizing students in Sacramento). Student Power Chair is proposing to take members to

Salinas/Watsonville to educate undocumented workers about ICE (Immigration Customs Enforcement) Opinion of our representative: this is not in the best interests of UCSC resources. Outreach & Student Life- Purpose of this committee is to reach out to students and to improve student life on campus. Internal Vice Chair of this committee proposes education on student fees, on race issues, on organizing with labor unions.

Lobby Core- Purpose of this organization is to lobby for student's interests in various places (regents, Sacramento, Washington D.C). SUA rep asked if lobby was on the Feds continuing budget resolutions, which opens up a chance for funding to be cut every 5 weeks – yes it is!

Student Academic Senate- body where students who sit on committees can discuss official stances on issues and speak with others about Academic Senate related issues.

Commissioner of Diversity- (DT presented on Diversity Commission) Will to work with on-campus ethnic orgs and cover administrative details. Applications deadline is Friday 11/7/11

SFAC Student Advisory Committee Edward

Q. How do members feel about student services fees going towards salaries? Purpose of this question is to move towards the end goal of changing the language of the ballot measure and approving language that will restrict spending on salaries. Flip side is this spending does go to support student services through more student support by staff.
