Parliament Updates

- Franklin Williams has asked for Parliament funding to purchase foot health supplies but we cannot donate Parliament money(student funds) to an outside vendor. If Parliament wants to help, we need to fundraise and then put that money towards a donation.
- We raised \$199.69 for 2nd Annual Sock Drive. We will donate 168 pairs of socks to St. Francis on Tuesday. Anyone interested in going should talk to Pam after meeting.
- Meadow discussion – MYG has suggested a labyrinth with benches. Membership is still set on adult swing set (4). It is possible but it would be a huge undertaking with Risk Services Parliament Swing Force has been created (Lyle, Lucas, Mariah, Kevin)
- Thursday, January 19: Alison Galloway is coming to speak to Kresge Parliament in 159. We will need to do advertising in January to Kresge community.

Outreach Core Night – Tueaday, Nov. 15th- overall successful, Lyle was the owl and received positive feedback. Juan forgot Parliament was attending but we got our info message announced.
