

Kresge Parliament – 4/10/14

Start: 6:33 pm **Quorum:**11 **Ice Breaker:** If you could have an item from any movie, what would it be?

Budget Request: Eye Candy Film Journal

They've been working on advertising/support from businesses; want it free to students; using social media and their website - concerns: people didn't know about the magazine distributed finals week. Mostly 530 FDM majors; publication made available to all students who want to contribute to the magazine; printing 1000 copies; 72 color pages; set some aside for alumni and staff; 1000 copies= \$8500. Asking all colleges, heard back from 6, received funding from 5 and are requesting from other sources; still trying to sell advertising to businesses; requesting \$300 from Kresge; amounts requested based on amounts awarded last year; copies were distributed at Kresge at Programs office - maybe ask students where they would see them most. A lot of Kresge students on staff

Deliberations: Eye Candy- looks cool, magazines look interesting, it's nice that it's in color but more expensive to print, haven't seen much advertising, Anna motions to fund \$100, Jansen 2nds: 8 Hoots, 3 abstain: Approved

Meadow committee cannot find a time to meet. Lucas is writing a request letter for MYG in favor of placing the metal benches at the Owl's Nest in the meadow

Envision UCSC/Upperclassmen meeting 3/11: Lucas and Bailey represented. They mainly discussed housing and asked for feedback from students; Each college had 2-3 reps at the meeting. Bailey emphasized concern over building a new college, focus should be on fixing up the colleges that we have already.

SUGB spring Rep: Won't know mtg. time until all reps are together; 1 hour per week; about 2 events a quarter; Tara is willing to represent Kresge. Pam will forward her contact info to Oscar.

Core Council: Spencer via Miina – Core Council does not meet this quarter – funding is finalized.

Kresge Constitution: Lucas forwarded several drafts of the constitution for review. Membership went over final clarifications and corrections for the 4/12 election deadline. Chiefs to be used as official name for position and "the Parliament" instead of "Kresge Student Parliament" Great job Lucas!!!

Outreach: Anna looked at water bottles and totes; we'll talk about it next week – also bring your new Parliament logos to the 4/17 meeting. We also need to discuss advertising and our sandwich board.

SUA- Miina, Gul & Winnie - Pow Wow happening 4-7 pm at Oakes; Leah Mingus Transformative justice 4/22 6-7 pm, ISO having cultural event, CALPRIG presented but didn't answer questions they had and trying to renew contract; UCSHIP (student health insurance) 57 mil in deficit. UC Santa Cruz only responsible for 3% of the debt, UCSHIO forcing dental and optometry coverage as well in bundle for next year, EVC Galloway will make final decision, we don't have med school so it's more expensive; (Should not renew - just use Anthem instead), Committee breakouts, - Miina - Student Life and Outreach - tickets for Edge of Eden concert selling fast, thinking of raising cap from 5000 to 7000, if you volunteer, ticket will only be \$15 and get a free shirt, 2500 tickets sold; UCSC Got Talent is happening again; Gul - Lobby Corps: USSA Conference last weekend, workshops about labor unions, more active role in UCSA, learned more about Janet Napolitano, got to lobby on Monday, talked about 7 different bills, post-allegation meeting will be happening

SCOC- Jansen - Carnival happening Porter Alley this Sunday, April 13th 2-5 pm, use Facebook event page to sign up; there is spin art, chess, Parliament can table if we get enough volunteers – please sign up for a shift. SCOC talked about IVC pay and what SCOC is responsible for; SCOC actually isn't obligated to pay 1/3 of the IVC salary but they do. Don't want SUA to assume that they will automatically pay every year; Parliament suggested that SCOC create a sunset clause and/or matching funding. Parliament is also concerned about SCOC outreach spending; spending a certain percentage on 5 big college events is not responsible management of funds.
