Outreach: Parliament logos and merchandise options

Anna and Pam shared merchandise options. Lucas made a “summer camp” logo and did mock ups on different items. Parliament likes the logo and Lucas will make several variations to vote on next week. Logo needs an owl and UCSC included. Top items were shopping bags, ceramic mugs and plastic tumblers ranging from \$175 - \$350. Discussion on whether to give away or sell still undecided - an agenda item for next week.
