-**Spring Community Service:** Parliament discussed options and agreed to team up with Franklin's Service Learning Class to clean up an Del Mar Elementary School on 4/12 from 10am to 2pm. Transportation to the event will be leaving the Kresge Parking Lot at 9:30am. So far we have 10 volunteers. Bring water and sun protection.

-**Meadow Committee:** The committee needs to reform for spring – last discussion was around moving the two metal benches from the Owl's Nest Café patio to the meadow - students feel they are underutilized and would make the meadow a much nicer area to sit. Lucas will write the request letter for Mike Yamauchi-Gleason. Winnie, Tania, and Ian volunteered to help Bailey and Pam with meadow improvement planning. Anna needs to step down.

-**Parliament Outreach:** Parliament discussed ordering custom water bottles or tote bags for sale/free in order to raise awareness about us. SCOC gets their swag from 4imprint.com. Members should make mock ups of what they want the logo to be like and bring them to Parliament on 4/17. Anna will do some research on vendors and price options.

-**Open Representative Positions:** We need to fill a SUA slot, SUGB and Secretary for spring '14. Winnie volunteers to fill the open SUA position and Lyle volunteers to fulfill the open Secretary position. We still need an SUGB representative for once a week meetings at the Student Union.

-**Constitution Update:** Lucas will send his constitution with changes, completely rewritten and a list of what he changed and why. Members should read this and make any final comments at next weeks meeting so we can approve it for the Spring Election deadline on Friday 4/11.
