Budget Request for next week: Phil Garbrecht plus 2 – Kresge CA's

Phil is heading up a field trip idea to experience Japanese culture and would like to take 21 residents (3 CA's) to Japan Town in San Francisco on Jan 31st. Transportation and light meals will be provided. They already have \$200 from the CRE budget and are planning to ask KMEC and Parliament for \$70. each. Nicholas motions to invite, Carl 2nds. 13 Hoots = Approved

Treasury Report: Gul - After the 2014 Fall Quarter we had a carry forward of \$624.45. Added to the winter budget of \$1500. Our current available budget is \$2,124.45.

Community Service Project: We need to decide what will be our winter project. In the past we have tabled for the homeless with our got socks donation drive with button making. If we want to stay on campus, Pam suggested the donations could go to Family Student Housing Pantry. We will make a decision next week.

Outreach: Lyle continues to work with the Porter Chair in an effort to host a sister event like a carnival, play date or a movie night. A suggestion was made we should have our own version of the Porter Studying Slug by hosting study time in the Town Hall. We too could provide test materials and snacks. Jansen is currently planning the Porter/Kresge SCOC outreach event for the end of January, another collaboration opportunity

Update: A new air hockey table will be arriving on Tuesday to replace the old vandalized table. We would like to invite interim Provost Kathy Foley and Dining Services as guests this quarter. World Café would like to host a Student Government night during one of their Monday 5 – 7 p.m. gatherings. Jackie will have more info; we will need a few volunteers.

Elect New Reps: Juan Calzada has officially resigned as SUA and SUGB representative for winter quarter. Brad Visacki is MIA so Core Council Representative is also open. Parliament needs 3 new volunteers.
