Anna Dobrokhodova - UCSC Ballroom Dance

She is requesting funding to take members to UCSB for a ballroom dance competition Nov. 8th. Students pay \$50 for the classes and they do not want the trip to be too costly for attendees. The budget includes \$580 for Reg. fees and hotel and they've also asked Crown & Stevenson for funding. They say that anything will help. It is there hope that showcases will be hosted in UCSC at some point as a form of teaching social dancing skills.

SUGB – Juan – Has not met.

SFAC – Carl –Intense meeting about Quarry Amphitheater renovation. Cost of Phase I is 7.388 million. Suggested funding; 2 million = Seismic Fee money, \$1.5 mil = Student Fees with an aim to fundraise 4 million dollars. If Phase 1 is approved it includes a new ADA entry, seats, paved & stabilized roadway, lighting, signage and WiFi. Maintenance will cost about \$40,000 per year more if Phase II is approved. Phase II would add a smart stage; power, infrastructure, lawn seating, concession stand, a support building with kitchen, restrooms and an ADA elevator. Students will get priority using the amphitheater and it is believed that rentals will help pay for Phase II? Issues are parking and maintenance, still being discussed.
