people to apply to committees. Check the SUA website, they are paid by stipends.

SUGB – Juan – Reviewed governing policies. Due to a required seismic retrofit, the Redwood building is going to be closed. SUGB is looking for ideas or themes for events that would help promote SUGB in the meantime. Some Parliament ideas: cultural banquet, tabletop games, video game tourney, food and craft events.

SUA – Lyle, Winnie, Juan – There was an emergency meeting on Veterans Day to discuss a possible protest here and at UCSF for Nov 19th. The protest will be an attempt to prevent the UC Regents from approving a tuition hike of 5% every year for the next five years. Two buses will be going from UCSC – Lyle will send out the contact info. A resolution is being created about this issue TBA.

SOFA – Juan – Notes of the meeting are in the email sent out to Parliament members. Fifteen groups are requesting funding with 2 more to come. If anyone is uncomfortable with funding a group or event, please contact Juan. Shannon is interested in being our SOFA alternate.
