

Kresge Parliament – 12/11/14

Start: 6:31pm **Quorum:** 11 **Ice Breaker:** Why do you look forward to for the holidays?

Budget Requests: Jim Meyer: UCSC FitLife – CruzFit 2015

CruzFit is an annual campus-wide fitness promotion program that encourages healthy lifestyle choices at UCSC during the winter term. CruzFit is seeking \$500 for t-shirts and online activity tracking services. About 125 students from Kresge participated last year. In the past they have advertised through word of mouth, banners, e-mails and t-shirts. This year CruzFit is using Survey Monkey and Google Docs as means of keeping teams together and recording their activities.

Courtney Romero: DKMS – Bone Marrow Registration Planning Committee

On Friday, January 23, 2015, Bone Marrow registrations will be in the Quarry Plaza, Porter Hitchcock Lounge and the 9/10 Namaste Lounge from 10-4 pm. DKMS wants Kresge to take part in this effort by funding \$175. Their main goal is to save lives. Funding will go to shirts for new members, banners, stickers and flyers.

Deliberations: Both requests are for good causes that benefit students. Carl motions to fund FitLife \$150, Anna 2nds. 10 Hoots, 1 Abstain = Approved. Gul motions to fund Bone Marrow Registration Planning Committee \$150, Carl 2nds. 11 Hoots = Approved unanimously

Ideas for Next Quarter: Kresge would like students to collaborate with the Transfer Community at Porter and Kresge community groups like STARS and the Veterans Center. Ideas include possibly having a festival to unite everyone. Kresge would like to volunteer at Centers like Homeless Garden Project and St. Francis Soup Kitchen. Also, Kresge Parliament would like to do a beach cleaning activity. To get more students to be involved in Kresge and join Parliament, we might try using the logo from the mugs on t-shirts to sell. Also, the CA's are doing Casino Night winter quarter and Parliament would like to donate mugs as prizes.

Approval of minutes: 12/04/14. Juan motions to approve the minutes with corrections. Lyle 2nds. 8 Hoots, 1 Screech, 2 Abstain = Approved. Corrections Correct Nick's name and rephrase Lyle's report back- Take Back the Tap only wants to collaborate with us.

Report Backs:

SUGB – Juan – The Dean would like to move the organizations housed in the SOAR Center to the Crown Pit. SUGB would like to keep all of the organizations in a centered location. They will establish a website to do this.

SFAC – Carl – There was a weekend meeting held. They are still reviewing applications and are likely to continue on into the Winter Quarter. SFAC is sending an advisory to Alison Galloway (Campus Provost and executive Vice Chancellor) for approval.

SUA – Winnie – There was a board meeting on Human Rights. Pause for Paws will be hosted in McHenry Library on Sunday, December 14, 2014 from 2-3 pm. There will be a Campus Clean Up event planned for May 2015. There is a new evaluation form for funding requests. Three other UCs have passed a resolution version of a "Vote of No Confidence" for the UC Regents and UCSC plans to pass its own version in 2015.

SCOC – Jansen – C4 dinner went well. SCOC is going through applications and appointments.
