Members would also like to table by the café and collect a broader response from the community. Tabled for next week.

-Academic Senate Rep. – We need a new rep. for spring quarter. Meetings are 4/22 and 5/29 2:30 – 5 p.m. in the Stevenson Event Ctr. Carl and Juan are both interested. Vote tabled till next week.

-Spring Community Service Project – numerous ideas were discussed; Kresge Service Day 4/11, independent days at the St. Francis Soup Kitchen, Tabling with other pops for donations. Lyle will send out a Doodle for possible volunteer days.

-Campus Elections – coming soon (May 12 – 18) Lucas is our Kresge Rep. Both SUA positions and Referendum will be up for a vote. The voting threshold for undergraduate referenda to be valid is 25% with at least 65% of the voters, voting yes. Jackie is interested in running for the official Kresge SUA Rep. position.

-Parliament Dinner Meeting – Pam needs to get the required top-level approval for our dinner funds. After discussion our May 14th meeting time has been reserved for dinner out.

Approval of minutes: 3.12.15 meeting minutes. Jackie motions to approve, Tara 2nds 5 Hoots, 2 Screeches, 1 Abstain = Approved.

Report Backs:

SFAC – Carl – Call for contractor bids for the seismic retrofit of the Cardiff House (Women's Center & original Cowell Family Ranch House) and the Student Union Building have been received. Only one for Cardiff/two for SUA = both over budget. Questions raised: Do we go out for new bids or pay the higher cost? Waiting may raise costs and the historical nature of the Cardiff House reduces the field of eligible contractors. Uncertain what makes more economical sense here??? Crown Pit location for SUA during construction has been scraped.

SUGB – Tara – Meeting tomorrow – 4/3.

SCOC – Jansen – Cowell/Stevenson are hosting the next SCOC Outreach event - more info to come. SCOC will soon be rehiring for the 2015-2016 committee positions – stay tuned.
