Start: 6:35 Quorum:10 Ice Breaker: What place on Earth means the most to you and why?

Budget Requests: Queer Fashion Show - QFS

Is a student run show that has been around for a long time at Porter. Asking for \$300. help with tech expenses listed on the provided budget as \$2500. Profits from ticket sales will go to LGBTQ orgs in town such as Queer Youth. Sliding scale \$5 - \$10. If we fund, we will be included in the show's programs and the shows themselves.

Q. What time are the shows? A. May 11th , 13th and 14th at 8:30 p.m. (Dress rehearsal the 11th)

Q. How many are you expecting? Based on last year, 1000+ over all three shows.

Q. Tech seems a little more expensive than normal. How many are working and how long? The show duration depends, we're hoping 2 hours with intermission. I do not know how many are working, but I can email the details.

AARC: If we choose to fund them, the money will not reach them by Tuesday so they will have to reimburse themselves. Their total budget is \$5700. with \$4000. for the keynote. Parliament Updates:

Envisioning Kresge representative Jolie has rescheduled for May 5th.

Community Service Day debrief: Many of us came out and we all had fun Saturday 4/16. Overall, 84 volunteers over 4 locations. A mean 9 year old questioned Carl's managing position by asking him "What do you do?" Franklin provided snacks and lunch back here at Kresge. Hoping to add another location next year = 5.

21 Days of Kindness Open Mic: Sunday, April 24th 7:30 – 9:30 p.m. Upper St. An email went out with a sign up sheet for volunteers. It will be outside with refreshments from Costco. Volunteers will help setup, cleanup, bring the kindness posters, MC, check the food, etc. Even if you do not volunteer, come out anyway.

Parliament Meeting Location: What is our decision with Parliament's meeting space for the rest of the year.. The red room is comfy like the old seminar room and is well suited for the amount of current members. The other option is the Student Lounge. The red room will be the meeting space for Parliament for the rest of the quarter. On a side note, our swag has the wrong location now.

Parliament t-shirts/swag: We have one more S and no XXL "Give a hoot" t-shirts. We need to restock. Ordering 25 S and 5 XXL will cost \$303.09 and will come out of Parliament's budget.

Hana motions to fully fund, Sawyer 2nds. 9 Hoots, 1 abstain = Approved.

Concerning other swag, a lot of items are expensive. We could do water bottles, caps, beanies, or buckles. We could order more of last year's sweatshirts. They costed everyone about \$10 each with our budget approval to cover half of the total cost. We would need to order them soon. Carl will send out an email with more info for everyone.

Business Dinner/ Ridesharing: Parliament annual dinner is next week 4/28 at Sabieng. Tara, Carl, Pam and (if needed) Jansen have cars to drive down at 6:15 p.m. There are 10 - 14 of us going. Where your Parliament swag...

Approval of minutes: Sawyer motions to approve, Hana 2nds. 5 Hoots, 4 Abstain = Approved.

Report Backs:

SUA: Max, Tara, and Hana – Short meeting. Slugs in the Stars presented. Women of Color Conference had a funding request and were fully funded. Black Sistahs United & Rock n' Roll on the Knoll were both tabled for one week. Automatic Voter Registration was tabled indefinitely. SUA Pres. Julie brought up concerns about how UCSC can spend \$100,000. on an unsanctioned event but we still have classrooms that need repairs??? No one went to the AD Hoc meeting.

SCOC: Hana - No committee appointments, just sister college event updates and numerous SFAC reps. are needed for next year (Not Kresge = Jeff Thomas) P/K event is Friday May 6th – Pizza and buttons from 4-7 p.m. in the i Lounge.

SFAC: Hana - Kresge and another are going to be the only ones with continuing reps next year.

Elections: Sawyer -They have the candidate rules and have to come up with one or two more to compensate for current issues. They will be public and will be forwarded to Pam for our minutes.

Council of Chairs Summit: Jansen, Max, Liza and Ian attended and ate.

This all campus student government meeting at Stevenson included the S.C. Vice Mayor as the keynote. EVC Galloway was there too. Unfortunately due to time constraints, they had to leave

right after the keynote speaker. While trying not to cause a scene, they walked into a storage closet. After having to knock on the door, locked in, they left. The reps. are working on a letter writing campaign about increased enrollment.

A side note: we do not have a ucsc email. One suggestion is notasenate@ucsc.edu
