- Banana Slugs for Animals rescinded their request, they received full funding elsewhere.

Community Improvements: Ideas to improve our community here at Kresge...

- Compost bins! The departure of campus-wide composters has left hard-to-fill shoes. Sustainability Office or Ian the Maintenance Man are plausible avenues to learn about current compost situation. Anna will check with Ian and Jos will check with Sustainability.
- Rec room! Remove old Foosball and replace with something new.
- Hammocks! Not on trees, just on very heavy stands so they're hard to steal. They already exists on campus at FSH. Check on line for vendors.
- Host pictures/facts of Old Kresge, linked by QR codes at their corresponding new locations.
- Piazzetta improvement: tables, canopies, banners, lounging benches or chairs or maybe plastic loungers like swim parks?

Note: Ideal community improvement would through the redevelopment.

Approval of minutes: 10.11.18 Correct typo: "bores" instead of "board." Ian motions to approve with correction, Jos 2nds. 7 Hoots, 2 Abstain = Approved.
