

Kresge Parliament – 05/23/19

Start: 6:30pm Quorum: 10 Ice Breaker: If we had school lockers, what is inside, decorations?

Budget Request: Film Production Coalition (FPC) requesting \$200. for film production expenses. Spring budget is \$750 - \$110 projector, \$40 sound system, \$600 production costs. Org. gives students the opportunity to make films under a structured format, numerous genres, all levels of experience. Spring show is June 9th 6-8 p.m. in the Humanities Bldg. Asked how films are assigned, via a democratic vote by members. Directors then pick their production team members. Expecting 200 attendees, 10% Kresge members, asking other colleges too.

Deliberations: Current Budget \$1915.

FPC Production costs include costumes/props but mostly food. Actual budget for festival and film production is not itemized and presentation was vague in general. Not sure about democratic process?
